PROJECT REPORT

Acknowledgment

Resolute efforts to achieve the target backed by self confidence are the key to success. Well planned efforts in the right direction surely fruitify in success, but efforts are fruitful due to hands making passage smoother. It is a moment of gratification and pride to look back with a sense of contentment at the long travelled path, to be able to recapture some of the fine moments, to be able to thank the infinite number of people, some who were with us from the beginning, some who joined us at some stage during the journey, whose rally round kindness, love and blessings has brought us to this day. We wish to thank each one of them with all our heart.

From the inner core of our heart, we express profound indebtedness and gratefulness to our adored **Dr. A. B. Khade, Principal, Indira Institute of Pharmacy, Sadavali**. We are highly honoured to have worked under such a multitaled personality

This project report was possible mainly because of the opportunity presented to us by our guide **Mrs. K.S.Dhane, Assistant Professor, Department of Pharmaceutical chemistry, I.I.P., Sadavali**. We are very grateful to her for showing us path and vision that research is all about enthusiasm, keen observation, creativity, hard work and patience. Her hearty criticism and timely suggestion on research induced a continuous source of inspiration for us throughout the period of study.

We would like to convey our honest, unforgettable and regardful thanks to all teaching staff for their constant and valuable support, regular observations, kind co-operation, boundless enthusiasm, affectionate encouragement.

We are also indebted to the nonteaching staff and peons for their timely help in procurement of chemicals.

Today what we are is all due to our most beloved and revered Parents and all Family members, who have blessed, carved, encouraged us with moral support.

We will always be thankful to our Parents for their constant advicement, affection, love, encouragement and support in our project work. Last but not the least we would like to thank lord Shri Ganesh.
