4.2 Library as a Learning Resource:

4.2.1 Library is automated using Integrated Library Management System (ILMS):

Response:

The Library of IIP was established in 2008, it provides open access facilities to staff & students which helps easy access and use of the library as a learning knowledge center which have partially automated. The reading room is available for the students from 9.30 am to 5.30 pm, during the examination period the reading room is open till 8.00 pm. The Library has a total area of 160 sq. meters. with modern infrastructure providing a congenial working environment. The library is equipped with facilities like Digital Library with reprography; Wi-Fi enabled library campus. The library has a total (of 1635 titles) of 7517 Books including text and reference books, 100 Spiritual Books, 08 Indian Journals and 02 International Journals, 4 newspapers and also the library has subscribed for institutional membership of DELNET. The library has 47 CD collections. Staff and students can access these resources from departments also with a Login ID and Password. "Easylib and Vmedulife Software are used for automation of library transactions like books circulations, Books acquisition, patron issues details reposts, etc. All computers in the library are connected through LAN. The library is richly stocked and well organized with books, titles; national and international journals as well as electronic resources such as 200 e-journals from DELNET, for use of students, research scholars and faculty, there are separate sections of the library such as administrator area, book issue section, reading section, a reference section, and journal section. All the books are given accession numbers, and the reference books and books for issue-return are stored separately. The latest volumes and issues of the subscribed journals are displayed in the library in the journal's section, and a separate register is maintained for tracking the issues.

The Library has a seating capacity of more than 56 students at a time. 02 computer terminals with the latest software and free internet facility are available for student use. The library is equipped with a printing and photocopying facility for the convenience of the students and is well furnished to improve the comfort level. Internet facility with free downloading is provided to the students. More than 400 online journals, E-Books and other E-resources are available from DELNET & Notional Digital Library for the students through library subscriptions and national and international printed journals are made available for the students free of cost.

The Library has a separate issue and return section, a reading section, a reference section, and a periodical section with a seating capacity of more than 56 students at a time. The library has a free access system for the students where they can choose the book that is required by them for the issue. Every student can issue a maximum of 3 books, whereas SC/ST/DT/NT students are given additional 2 books as a part of the book bank scheme. The library is installed with Integrated Library Management System for the smooth working of the library that includes accessioning, issue return, OPAC, and data generation. The details of the library software's are as follows.
