In Our Institute the professors are well qualified & experienced.

They Always guides & helping students for their queries and problems about study as well as career related questions

Appreciate Students Participation

Encouragement

Communication

Teaching is very well. Teachers gives positive mindset and encourage us.

Excellent teaching learning process and teachers are very helpful in clarifying concepts.

Need more extracurricular activities like health check up camps and any other awareness drives

Observations:

1. Teachers illustrate concepts in relatable situations.
2. Teachers shared their experiences with students on based experiments, theory topics, and exam presentations.
3. Their teaching skills made the lectures more attentive.

Observation:1. Institute provides us multiple opportunities to learn

2. Quality of teaching learning process is very good

Try to reach every student and ask for their doubts. ... Make teaching a two way interaction.

Good teachers

Teaching is good.

Excellent

There should student teacher interaction

There should be more student interactions

Good teaching staff

Utilize a variety of technology options.

Very well, encouraging, motivative

..

Ask students what they need  
Understands the students problems  
Implement on students opinionated

Nothing everything is good as the way..

Its overall good

Use of 3d animated videos

Teachers present lot of thoughts related to general knowledge also

None

By taking tests, explain how to write answer to marks

No any suggestions

it is observed that during practicals the apparatus are limited so we have to perform the expt in groups even the weighing balance is not available in each lab.the LCD are not working properly sometimes.teachers have to focus on individual student and guide them as per their strenght and weaknesses.

Excellent experience

Every lab should have weighing balance in good condition

In our clg teaching staff is are very supportive

Teacher can give always guidance about career opportunities
