Dear All,

NSS cell organized Alzheimer's day program at PSP's Indira Institute of Pharmacy, Sadavli on the occasion of World Alzheimer's day which was on 21st September 2022.

World (<https://www.news18.com/world/>) Alzheimer's Day is observed annually on September 21 to raise awareness about the neurological disorder. Alzheimer's disease is the most common cause of dementia and affects the person's memory, mental ability, and ability to carry out simple tasks.

All the students of S.Y.B. Pharm and T. Y. B. Pharm approximately 100 students showed their active participation in the program. Two students of S.Y. B. Pharm presented seminars on the topic of Alzheimer's disease. They explained the symptoms, pathophysiology and treatment of the disease. Other students showed their active participation in the celebration of world Alzheimer's day by preparing different posters about the Alzheimer's disease. The posters represented use full information about the Alzheimer's disease.

The staff of Indira Institute of Pharmacy was present for the program and appreciated the students for participating enthusiastically in the program and organizing it smoothly.
