- Do you think the training has helped you to introduce the sciences and pharmacy knowledge/? If yes mention anyone concept that you have newly understood
Yes, this training was helpful because I learnt many be sectors field related to pharma sector.
- Did you find training is useful? Explain briefly.
This training was useful from the bussiness view or as a student.
- Do you recommend any improvements in the training module, If Any?
Yes there is need to improve training module because there is very problems of connectivity of internet.
- Outline strikingly useful things / skill sets that you have learnt through the training session which might enhance pharmacy and overall aptitude.
I learnt the view of thinking like a ideal pharmacist.
- Specific comment, if any.
These is need to change the made of session offline mode is better but combination of both makes better learning experience.
